

Dear Friend,

Today, I join all Floridians in saluting the courageous men and women of our Armed Forces, past and present, on this Veterans Day. We honor our nation's veterans, including the 1.8 million veterans living throughout Florida. Their service and sacrifice have given us the freedoms and liberties we enjoy.

As we celebrate the rich history of our veterans and their contributions to the American experience, let us not forget their families, who through their love, support and sacrifice also serve our nation.

May God bless our nation's veterans and their families,
